

ECONOMETRICS II – COURSE 2022-2023

ELEMENTS OF THE EVALUATION

CONTINUOUS ASSESSMENT

- **MIDTERM EXAM** (30% of the final mark), date: 27/10/2022 (check [faculty website](#) for eventual changes and for the classroom)
- **EXERCISES IN CLASS** (10% of the final grade): pending date but after the partial exam
- **LAB TEST** (10% of the final grade): pending date but it will be at the end of the course
- **FINAL EXAM** (50% of the final mark), date: 19/01/2023 (check [faculty website](#) for eventual changes and for the classroom)

SINGLE EVALUATION

- **This option is available in all groups but ONLY for repeating students. If you want to opt for this option, you must notify the professor of your group before the partial exam.**
- The unique exam will be done on the same date of the final 19/01/2023 (check [faculty website](#) for eventual changes and for the classroom) and will consist of a written part (90% of the final mark) and a small part at the computer (10%) that will be done after the written part.
